Complete English translation

Registration by the Council of Ministers

The document identified in SSEV as **25505165** was registered under incoming reference number **18.00-221/25.09.2026**.

Sent by the Council of Ministers on 25.09.2026 at 19:21:49; received by attorney Marian Georgiev Ivanov at 19:37:37.

The certificate confirms registration of the document. It does not establish endorsement of the proposals, their formal introduction as draft laws, or their adoption.

Translation note

This translation is provided for information and is not certified. The Bulgarian original is authoritative. This translated PDF does not carry the electronic signature of the original.

This translation is provided for information and convenience. In the event of a discrepancy or a dispute over interpretation, the Bulgarian original prevails, subject to applicable mandatory provisions of law. The translation does not alter the subject matter, content, or legal effect of the original or change the legal or evidentiary value of the signed original document. If in doubt, check the Bulgarian original and ask the attorney for clarification before relying on the translation. No rights or liability that cannot lawfully be excluded are excluded.
